

A message from DELOPT:

Dear Retail industry customers & value added partners,

We hope you all are healthy, safe & doing well!!

The current COVID-19 situation is a global pandemic and economic challenge; very stressful days for all of us.

Let us all gather courage & remain positive for a bright future;

“EVEN THE DARKEST NIGHT WILL END AND THE SUN WILL RISE” –Victor Hugo

At DELOPT, we closely watch the situation at large and business in specific. Our utmost priority remains the good of human assets. The business is at near 100% halt and we remain connected on a daily basis to do our best to respond to this situation.

DELOPT'S RESPONSE TO COVID-19, INDIA LOCK DOWN SITUATION:

1. Our business operations during these lock down are very minimal, restricted to DELBI cloud services & remote support.
2. All shipments and installations have been stopped until the lock down situation improves.
3. On field AMC services will resume upon favorable conditions return.
4. Online support to overseas channel partners and training's are arranged without any interruptions.
5. DELBI-license renewals and reporting services are fully ON.
6. We will keep you updated as situations improves for carrying out routine business.

For our INDIA-direct customers, we announce to not raise any service invoices during the lock down period (March 24 to April 30) only is in force. We stand to absorb our mandatory server maintenance charges required to keep the services till April 30, 2020 only.

As a technology development company, we remain connected to our family of employees, customers and suppliers at large. It feels very nice when we receive some very valuable suggestions to extend our expertise to the situations of current and future situations. We welcome more such ideas from you all.

Please reach out to our sales managers for any communications as always.

Sincerely

DELOPT
